

Everything You Need to Know About the Outback Dinner Menu

The [Outback Dinner Menu](#) is the perfect place to begin if you want to explore the wide variety of food offered by Outback Steakhouse. This website provides the latest menu items, prices, categories, and nutritional details. It is especially helpful for customers who want to plan their meals before visiting or placing an order.

Menu Categories and Highlights

Outback's menu is extensive, covering everything from light starters to filling entrées. Here are the main categories and their most popular highlights:

- **Feature Specials:** Unique and seasonal items such as Sweet Sriracha Chicken Bites, Bone-In Ribeye with Bourbon Onion, and Toowoomba Salmon.
- **Appetizers:** Classic starters including the Bloomin' Onion, Aussie Cheese Fries, Kookaburra Wings, Sydney Shrooms, and Grilled Shrimp on the Barbie.
- **Chicken, Ribs & More:** Choices like grilled chicken entrées, tender baby back ribs, and hearty combination platters.
- **Signature Steaks:** Favorites include Victoria's Filet Mignon, Ribeye, Bone-In Ribeye, Center-Cut Sirloin, and the Melbourne Porterhouse.
- **Seafood:** Fresh options such as grilled salmon, lobster tails, and shrimp entrées.
- **Soups and Salads:** Delicious bowls like baked potato soup, French onion soup, clam chowder, along with crisp Brisbane Caesar Salad and Aussie Cobb Salad.
- **Sides:** Wide selection including baked potato, Aussie fries, mac and cheese, loaded mashed potatoes, steamed vegetables, and sweet potato with honey and brown sugar.
- **Burgers and Sandwiches:** Items like the Bloomin' Burger, Prime Rib Sandwich, and the classic Outbacker Burger.
- **Kids Menu:** Fun and filling meals such as Joey Sirloin, Chicken Fingers, Mac 'A' Roo N' Cheese, and the Boomerang Cheeseburger.

- **Desserts:** Sweet endings like Chocolate Thunder From Down Under, New York-Style Cheesecake, Triple-Layer Carrot Cake, Chocolate Tower Cake, and Salted Caramel Cookie Skillet.
- **Drinks and Cocktails:** From soft drinks, lemonades, and iced teas to cocktails, margaritas, beer packs, and to-go beverages.
- **Party Platters and Extras:** Ideal for larger gatherings, offering shared platters, catering details, and even bulk drink options.

User-Friendly Website Experience

The website is designed with the customer in mind. Menu items are neatly organized into clear categories, making it easy to browse whether you are looking for a quick appetizer or a full steak dinner. Each dish includes prices and calorie details, helping diners make informed choices before ordering. Best of all, the site is mobile-friendly, so you can quickly check items while on the go.
